Activities Program Schedule

We are super excited with how much the dogs enjoy the solo-activities program! This month will be very stimulating for your pups!

Nose game: We are excited about the new Godzilla movie and thought the pups should enjoy it too. The nose game for this month is: Godzilla! We have decorated boxes and will be setting up 'skyscrapers' with treats inside so pups can play at being Godzilla!

Brain Game Trick of the month: Figure 8

Physical activity: Jumps and balance platform work.
